BLUE HILLS COLLEGE

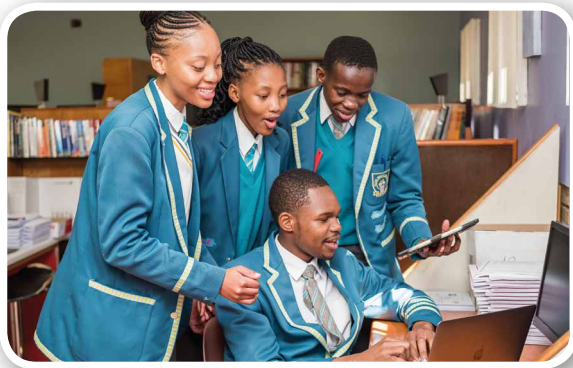

Blue Hills College is a Private Educational Institution offering the Independent Examinations Board (IEB) curriculum for students in Grade 8 - 12. We pride ourselves in providing a well-rounded education that not only prepares our students for success in academics, but also in life. At Blue Hills College we understand that every student is unique and learn differently. That's why we offer variety of subjects and activities to suit every interest and learning style.

VISION

We are committed to being an outstanding Christian learning institution that provides opportunities for both Students and staff to excel in their studies and work.

VALUES

Integrity | Discipline | Diligence
Courage | Respect

ACADEMICS

NETBALL

SOCCER

HOCKEY

We are excited to offer our students the option of boarding or day schooling. Our boarding facilities provide a comfortable and safe environment for students who choose to live on campus and we also have dedicated staff who are trained to ensure that every student's needs are met. Day school students will also have access to all the extracurricular activities and facilities that our boarding students do.

ACADEMICS

Blue Hills College offers:

- An IEB Curriculum with an emphasis on Critical Thinking.
- Christian based education, which develops a strong value and cultural system in our learners.
- A variety of extra mural activities to support the physical growth of our learners
- A team of dedicated staff members, who are always ready to nurture and support the holistic development of our learners.
- State of art classrooms, well equipped for the 21st century e-Learning environment.
- Stunning location, with evergreen lawns, on a 17 – hectare plot away from the ever – tempting malls and the noisy city.
- Comfortable boarding facilities to groom learners to be independent and responsible young people.

STUDENTS LIFESTYLE

Sports and Clubs

At Blue Hills College, we are fortunate to have a team of highly dedicated and experienced sports coordinators who oversee all of the sporting activities at our school. Therefore, we encourage all students to get involved in sports and club activities as a way to promote mental, physical and emotional well-being.

Participation in sports can also help students develop leadership skills and social intelligence. We believe that these types of activities are an important part of the overall educational experience at our school.

Sports Activities Include:

Tennis, Basketball, Netball, Rugby, Hockey, Boys Soccer
Girls Soccer, Athletics, Cheerleading, Volleyball & Swimming.
